SOLAR NEWS

Solar Shop has put together some fabulous prices for Sceg members to purchase solar panels. The launch of this program is on March 27th at the Anglesea Riverbank Gathering. Following the launch we will be holding an information session on solar, date TBA.

Sceg members are welcome to contact Solar Shop with expressions of interest ahead of the launch.

Tues 6th April 7.30

NUCLEAR POWER, WHAT ARE THE RISKS?

Presentation and discussion at Spring Creek House, Price St., Torquay

Dr. Bill Williams, MBBS President of the Medical Association for Prevention of War (Aus)

The debate is back in the media. There are some proponents who believe coastal regions within the proximity of major cities make ideal locations for nuclear power plants and others who claim nuclear could substantially reduce our CO2 emissions.

SCEG RULES AMENDMENTS

Tues 6th April 7.30 at Spring Creek House, Price St., Torquay

At this meeting in accordance with the model rules you will be invited to vote in favour of or against a special resolution put forward by the SCEG committee detailing several changes to the model rules for the association.

The model rule changes we propose are attached with the most significant changes being the 'Not for Profit' and 'Dissolution' clauses. We recommend you take a look at the proposed changes prior to the meeting to enable you to make an informed decision at the meeting.

If you are unable to attend the meeting, the proxy form attached may be completed and emailed back to the SCEG secretary Julia Brangwyn at jgs@aapt.net.au or posted to The Secretary, Surf Coast Energy Group, PO Box 160, Torquay 3228.
